Happy Dance designed a large catalogue of skirts for flamenco dance with very original and smart designs. These skirts are very comfortable because they are made of a smooth fabric and have a special treatment to obtain a touch similar to silk. This material is polyester, and the fabric is called "punto de seda". This fabric makes possible that the skirt acquires a spectacular movement at the moment of dancing. They're just perfect for the practise of flamenco dance or on stage. With these skirts, you will always feel like practising. They're totally made in Spain.

The relationship quality-price is excellent.
