

Flamenco Flower mod. Two Headed Carnation. 12X7.5cm

4.96 €
5.41 USD

These flamenco flowers are made of synthetic material. Flamenca women usually wear big colorful flowers in their hair to enhance the oval shape of their face. The hair must be tied back as required by the standards in order to give slenderness to their neck and an elongated silhouette.

- Flamenco Flowers, made of linen.

- Measures: 16cm tall X 11 cm large.
