"Maravilla" is a very flamenco flower and its name, "marvel", defines very well how spectacular the flower is. Everyone will love it for its beauty and size,

The large flowers and the risqué colours are very fashionable now.

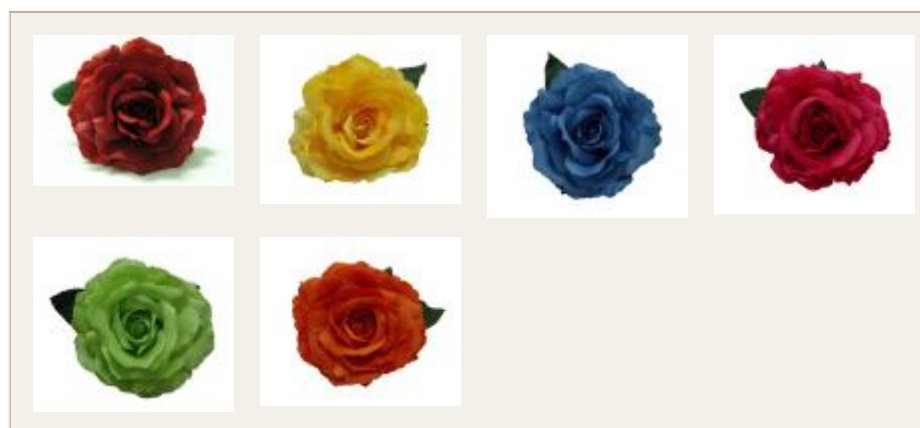

The accesories allow changing it completely and so transform it. They generally wear big flowers, and daring colors so that it enhances their face. The hair must be tied back in order to give slimness to the neck.

- Made of fabric.

- Measurements: 16cm diameter.

You can also wear shawls, small or big ones, a nice brooch, earrings and peinetas.
