

FLAMENCO BEST SELLERS – FLAMENCO FLOWERS

Red carnation. Flamenco flowers

2.50 €
3.3 USD

The most typical spanish flamenco flower is the red carnation.
This one is a flower formed by two carnation's heads.

The flamenco flowers are made of synthetic material.

The accesories allow changing it completely and so transform it. They generally wear big flowers, and daring colors so that it enhances their face. The hair must be tied back in order to give slimness to the neck.

- Flamenco Flowers, made of linen.
- Measures: 16cm tall X 11 cm large.
