## ALL FLAMENCO – SHAWLS

### Manila shawl.

Fringes and embroidering handmade.

Mantones (Shawls), for flamenco dancers direct from Andalucia, Spain. We offer a personalised service with advice from professional flamenco dancers, local instrument makers and flamencos.

A perfect complement as much for the flamenco dance, as to give to a touch of distinction and feminine when dressing special occasions.

Shawl made of pure silk 110 x 110 cm hand embroidered both on cloth and fringed.

Fringed shawl: 30 cm. - 11.81 in.

### CORRECT WAY TO PRESERVE THE SHAWLS:

#### 1.- Washing:

Never wash at home, always at dry cleaner's.

If you see a little mark, rub it with soap with a rag below the shawl.

Then iron the shawl.

#### 2.- Ironing:

Iron the shawl the wrong way round with vapour iron, to enhance the embroidery.

#### 3.- Preservation:

Hang your new shawl on a hanger, recover it with a cover and keep it from the light in your wardrobe.
