■ **Size:** T - 55 - T - 56 - T - 57 - T - 58 - T - 59 - T - 60 - T - 61

The Montera is the traditional bullfighter's hat. This imitation **astrakhan montera** has a very good quality. Until the 19th century, the three-pointed hat was used, but from then onwards the astrakhan montera is manufactured using a curly textile that is very similar to hair. Later the Astrakhan was banned.
