

● Black profesional Flamenco percussion box (box-drum) - La Perú

273.00 €
297.42 USD

Flamenco percussion box made of high quality beechwood. It has a walnut lid, a sharper base than the natural model and an exclusive tuning system with thick snare strings. It has a deep base and an excellent cracking sound, and it includes a nylon case, which is cushioned on the inside to protect the cajón from any knocks it may receive while it is being transported.
