

○ Natural profesional Flamenco percussion box(box-drum) - La Perú

262.50 €
282.57 USD

Flamenco percussion box made of high quality beechwood, with a beechwood lid. It has an exclusive tuning system with thick snare strings, and a deep base and an excellent cracking sound. It includes a nylon case, which is cushioned on the inside to protect the cajón from any knocks it may receive while it is being transported.

Measurements:

50 x 30 x 30 cm
