

○ **Trencadis Carnival Collection Cat. Gaudí. 18cm**

29.75 €
32.05 USD

Cats are attributed magical properties and, for many, they are a powerful lucky charm which can attract money and luck. In many cultures, cats are an important and very old spiritual totem. Therefore, why not creating a beautiful figure of this animal? This is a piece of innovative design based on the **mosaic technique by the modernist Gaudí**, the so-called **Trencadis**. Barcino focuses his creativity and experience exclusively on the mosaic and *Trencadis* style.

The result of this passion is unique and surprising pieces, popular worldwide thanks to their colors, quality, liveliness and their unmistakable mark.

Measures: 18cm
