If you want to have a genuine Spanish souvenir this figure of resin is a bullfighter replica with the cape in his hand making a bullfighting pass named "Veronica".

The Veronica must be made with the hands holding the cape. The bullfighter pass the cape to call the bull and, when the bull advances, the bullfighter bends to left or right putting the leg to prepare next veronica. The veronica is a typical pass of bullfighting with the cape and it is the pass most used to receive the bull.

Hand painted Bullfighter Gaudi Mosaïc. Barcino piece with an innovative design. Emblematic piece of Spanish folklore.

It is a decorative object. It isn't a toy.
