

○ **Trencadis Carnival Collection Elephant. Gaudí. 18cm**

23.14 €
24.8 USD

Elephant is considered a symbol of happiness, longevity and good luck. Elephants must have their trunk pointing upwards in order to attract luck. Also, they must be placed with their trunk pointing towards your home. This way, it will attract fortune and wealth for your home.

Barcino has designed this figure with vivid colors. This is a piece of innovative design based on the **mosaic technique**, the so-called **Trencadis**, created by the Catalan architect Antonio **Gaudí**.

Measures: 18cm.
