

🟡 Frog Queen. Barcino. 10 cm

9.50 €
10.35 USD

A lot of ancient civilizations consider that the frog is a symbol of abundance, protection and health. We have this queen frog with the golden crown, which is a design innovant piece and inspired by the modernist mosaic technic "Trencadis" invented by the catalan architect Antonio Gaudi. The frog has more than 10 colors and is hand painted.

Measurements: 10cm.
