If you like to decorate your fridge in a personal way, we offer you these original magnets. You will find in this pack a magnet's set in keeping with the Andalusian tradition. You will find the typical flamenca woman, and you will have different options to clothe the flamenca: with a gispy outfit, with different accesories like a fan, a flower (a rose or a carnation), castanets, a comb and a cordobes hat and with others typical spanish products as the spanish guitar, the tambourine or the wine glass.
