

David Leiva. Sing accompaniment Treatise. Seguiriya. Vol.2

25.00 €

27.24 USD

As continuation of this serie started by "La Soleá" we present now the ""Seguiriya".

All the secrets of the accompaniment "toque" of the big masters of the Flamenco guitar, with the voices (clear, without guitar) of the Sing's Masters.

Addressed to the beginner and professional guitarists, they will have the possibility to analyse and playing the fasletas, remates, accompaniment resources, different strums or chords depending on the guitarist, and on period.

A real luxury for the guitarists and singers! Thanks to a complete work of postproduction on old records, we could get a clear sound, with no guitar, in the way that the guitarists could practice the different styles of accompaniment with the big masters of the sing, and the singers could listen to the voices, and they also could practice the sing with different accompaniment's styles of the big masters of the flamenco guitar.

The masters included in this treaty are:

Singers: Pepe de la Matrona, Juan Talega, Agujetas, Antonio Mairena Rafael Romero, Aurelio Sellés, Camarón, Fosforito, Enrique Morente
