Although you are in the kitchen, get dressed like a typical flamenco lady.

A wide range of original aprons, highly flamenco stylish. With this apron you will be able to dance "sevillanas" or "rumbas" while cooking.

Made with a polka dot pattern with three small ruffles from the same material and finished with a vivid colour ending. It has a strip round the neck and two strips to tie it round the waist.

Measured approximately from the neck to the end of the lower ruffle:

Size: 88 cm.
