The pasodoble forms a part of the digest of the Spanish music band and is in the habit of consisting of introduction and two principal parts, with a rhythm "aflamencado".

Ones of the most famous are: Suspiros de España, España cañí, Francisco Alegre y olé, Islas Canarias, el gato montés, El Relicario, En el mundo, Yo quiero ser matador...

The bullfighter pasodoble is simultaneously, happy and melancholic.

It sings for the sadness of the death, or for a passionate happiness.

The bullfighter pasodoble must assemble three indispensables conditions.

It has to be popular, a modality "aflamencada"

With a certain brave melody.

It has to have a special garb that takes inside the whole spirit of our festive mentality
