31.03 USD

This recital has been recorded by the guitarist from Madrid Víctor Monge Serranito. Víctor Monge 'Serranito', a Spanish composer born in Madrid who was self-taught and a professional since an early age, is considered one of the most talented guitarists of recent years. The Concierto de Guitarra Flamenca (Flamenco Guitar Concert) of the great master Víctor Monge 'Serranito' is accompanied by Miguel Rivera as a second guitar, Julián Vaquero as a second guitar and bass player, and Víctor Monge Barrios on percussion. The concert, recorded on stage, includes six themes whose sheet music is also available both standard notation and tablature in the form of a book.

Compatible with all countries. Compatible NTSC and PAL.
