

○ solo compas en vivo desde Utrera

**20.82 €**  
**22.46 USD**

Authentic "Gipsy Fiest" in Utrera recorded live.

In these two CD's you will listen to almost two hours of bulerías and tangos interpreted by more than thirty gypsies of all the ages of Utrera.

Men, women, children, grandparents and grandmothers. They are the descendants of "El Pinini" and of "La Serneta".

It is a party recorded live, in a natural and nice way, with which you will enjoy a lot; in such a real way that the compasses that the artists mark will remain in the spirit of whoever listens to it.
