It is a summary of 12 typical pasodobles.

Popular music associated with the best of the bullfighting art.

In this album the pasodobles stand out for instance: "El gato montés", "En er mundo", "Mi jaca", "El Relicario", "Francisco Alegre", "Islas Canarias", "España Cañí".

The paso doble is a necessary ingredient.

It is an allied of the bullfighter in the big tasks or when he walks the trophies in the turn, it improves the brightness of an elegant opening procession that wakes up in the fan, it attends magisterial performances of squads and killers of bulls.
