15.3 USD

The bullfighter pasodoble is simultaneously, happy and melancholy. It sings for the sadness of the death, or for a passionate happiness. The bullfighter pasodoble must assemble three indispensables conditions.

It has to be popular, a modality "aflamencada"

With a certain brave melody.

It has to have a special garb that takes inside the whole spirit of our festive mentality

The bullfighter pasodoble is simultaneously, happy and melancholy.

It sings for the sadness of the death, or for a passionate happiness.

The bullfighter pasodoble must assemble three indispensables conditions:

It has to be popular, a modality "aflamencada".
