9.95 €
13.13 USD

The most genuine and representative pace of the Spanish music is the pasodoble.

It is about a happy, pure, full of spirit rhythm and sometimes, Flemish (Andalusian gipsy), but it always reflects the garb and most genuine Spanish flavor.

It's the best of the 10 most famous pasodobles: "El relicario", "El gato montes", "En er mundo" for instance.

The most genuine and representative pace of the Spanish music is the pasodoble.
