O Green Fiberglass Professional Castanets nº5 with Double Soundbox by Castañuelas del Sur

103.26 €

These green fiberglass castanets for professional use Green Fiberglass Professional Castanets nº5 with Double Soundbox by Castañuelas del Sur by Castañuelas del Sur follow a high-quality process and are made with the best materials.

These castanets are made of thousands of paper layers coated in a specific resin, a material that gives them hardness and a very powerful sound. They are recommended for outdoor performances and for teachers who want to be heard above their students while practising.

Very Important: The colour of the case may NOT be the same as in the picture.

Size:

Fiberglass nº5 (9.3 cm x 7 cm)

All castanets made by Castañuelas del Sur are engraved according to their use. These are the three categories:

Beginners: HERNANDEZ

Professional use: CASTAÑUELAS DEL SUR

Top-of-the-line models "Capricho": JUAN VELA SEVILLA.
