## Barcelona Güell Park Salamander Magnet. 10cm

**6.20 €**
**6.63 USD**

One of the most popular icons by the Catalonian architect **Gaudi** is the salamander located on the staircase leading to the entrance of **Güell park**. Barcino has created a salamander magnet, handmade and hand painted in an artisanal way, and inspired by the **Modernist Mosaïc** technique, the so-called “Trencadis”. This figure was designed by **Barcino** in Barcelona, Spain.

Registered design and protected by law at national and international level.

Instructions for care:

. Use a soft and dry cloth to remove dust and humidity from the figure.

. Do not use chemical products to clean the figure.

. Keep the figure away from water.

. Avoid sun or extreme heat exposure.

. Only for indoor spaces.

**Measures**: 10cm
