

Professional Bullfighter Cape

120.00 €
128.61 USD

The Muleta includes the estaquillador.

The fabric used to manufacture this **muleta** is flannel and its texture as its cut are both very important elements to transmit suitably the movements and so to be able to temperate the attack's speed.

The opened muleta is like an incomplete bent circle. The outside, also called "body" is dark and intense red and the inside is generally in yellow colour.

Muleta made of cotton, quite heavy and with a traditional cut.

The professional muleta is a high quality **muleta**.

Measurements: 155 cm X 90 cm.
