**7.69 €**  
**8.31 USD**

This sash is worn as a belt. The Campero suit is elegant and needs to be complemented with a hat with a large brim, charms for the "calzona" trousers if needed, and the sash that gives it the final elegant touch. Combine it with the color of your suit. It is designed in Italy and it is 100% polyester. Choose a sash that matches well your Campero suit.
