A perfect complement as much for the flamenco dance, as to give to a touch of distinction and feminine when dressing special occasions.

Shawl made of pure silk 140 x 140 cm hand embroidered both on cloth and fringed.

**CORRECT WAY TO PRESERVE THE SHAWLS:**

**1.- Washing:**

Never wash at home, always at dry cleaner's.

If you see a little mark, rub it with soap with a rag below the shawl.

Then iron the shawl.

**2.- Ironing:**

Iron the shawl the wrong way round with vapour iron, to enhance the embroidery.

**3.- Preservation:**

Hang your new shawl on a hanger, recover it with a cover and keep it from the light in your wardrobe.
