Suspenders with Cattle Design for Men

Four colours available: green, white, red and black.

This article has been manufactured with selected leathers and is handmade finished, so it is of the best quality guarantee. In our section "Gentleman's Braces" you could find a catalogue with a large model's variety: different clips and with buttonholes.

You can adjust its size.

Given the length of these suspenders, they are designed for the exclusive use of calzonas, not for normal trousers.
