

Flamenco flower. Mod. Marvelous Rose. 16cm

**9.96 €**  
10.7 USD

"Maravilla" is a very flamenco flower and its name, "marvel", defines very well how spectacular the flower is. Everyone will love it for its beauty and size,

Large flowers and risqué colours are very fashionable now.

Flamenca women usually wear big colorful flowers in their hair to enhance the oval shape of their face. The hair must be tied back as required by the standards in order to give slenderness to their neck and an elongated silhouette.

- Made of fabric.

- Measurements: 16cm diameter.

You can also wear shawls, small or big ones, a nice brooch, earrings and combs to complement your outfit.
