Flamenco long-sleeved black leotard with white polka dots ruffle. This is the perfect leotard to combine with a polka dot matching skirt. When practicing Flamenco, it is essential to wear a very Flamenco outfit. That is why we propose you this leotard for your dance lessons or even for a performance. **100% polyester made.**

VERY IMPORTANT, this product is not of Spanish manufacture; therefore, its fabric is of an acceptable quality, its design is correct and its tailoring is of a low quality so it will not be strange to find a seam unstitched. Its tailoring is very basic, so we advise our clients not to pull the seams and check them out before putting the leotard on. The product always leaves our premises checked, but a strict quality control is not led.
