

○ Pitch Pipe Tuning Key. 11.5cm

4.95 €
5.38 USD

Fork-shaped **pitch pipe tuning key**. 440 Hz. 6.0 mm diameter.

A pitch pipe is a metallic device normally made of steel and fork-shaped, used mainly as a reference for musical instruments tuning. After a few seconds it emits a pure musical tone that allows the dissipation of harmonic high tones.

Total Measure: 11.5cm
