We are very pleased to introduce the new audiovisual production **The Flamenco Guitar** (La Guitarra Flamenca), directed and produced by Manuel Salado. Manuel Salado's famous productions are "Solo Compás" and "The Flamenco Dance" ("El Baile Flamenco") for beginners and advanced level. These productions are worldwide flamenco hits.

This new didactic production is dedicated to the guitar and the main objective is to bring the Flamenco closer to all professionals and amateurs. This way they should fully understand the different flamenco shades. If you are new in this, Giraldillo de la Guitarra "Manolo Franco" will introduce you to this amazing culture, a well known and prestigious guitarist in the flamenco circle.

Each volume includes 1 DVD and 1 CD, a 5 minutes work by Manolo Franco, exercises for right hand and also for left hand. The novelty is that you will be able to watch the scores on your screen, including real sound, but also the song's accompaniments for every volume, technical exercises for flamenco guitar, exercises with or without song and with or without guitar, etc.

Collection: 10 volumes.

Each volume includes 1 DVD and 1 CD.
