

Barcino Bull. Magnet

4.01 €
4.3 USD

What is the most important figure in Spain, aside the flamenco? The bull and Gaudi.
If you add some artistic creativity the result will be the Bull created by Barcino. Bull and arty, with the Gaudi style.
Very innovative piece, inspired on the modernist technic of mosaic trencadis.
With this magnet you will be able to decorate your fridge, for example, it will have a very Spanish style.
You'll find various original models, all of them respecting the Spanish tradition.

Measurements: 9cm x 6cm.
