

○ Gaudi Bullfighter. Barcino. 11cm

0.00 €  
0 USD

If you like the **Gaudi** style, this piece of a bullfighter is a very original sculpture and inspired by the **Trencadis** modernist mosaic technique.

**Barcino**, follows the Gaudi technique in order to get a chromatism to create this sculpture of a bullfighter with his cape. It is a marvellous piece; Barcino uses the enamelled ceramics which offers bright colours, to make a shiny effect when you switch on the light.

Measures: 11cm
