

○ Acuatic Frog Mosaic Barcino. 15cm

13.60 €
14.65 USD

Many ancient civilizations have considered the **frog** as a symbol of abundance, protection and health.

The shape of this frog is like it is swimming in the water, it appears to be in motion. The frog is made of resin using **Gaudí's** technique, composed of small handpainted pieces in up to 10 colors .

Dimensions: 15cm.
