

🟡 Christmas ball with bells Barcino. ref.34319

6.60 €
7.08 USD

When winter arrives and Christmas looms, it seems the time is short and we hurry to acquire the Christmas decorations. The Christmas tree will be situated in an important place in our house during the holidays, so we have to buy some beautiful Christmas balls with Christmas motifs as the bells of this ball, with a lot of shine and colour inspired by Mosaic Gaudí technique.

Barcino uses the Gaudí technique to obtain a nice colors to create this Christmas ball. It is a spectacular figure with glazed ceramic that Barcino uses to offer bright colors and to show maximum effect shine with the light.

Measurements: 7.5cm.
