28.4 USD

This gypsy is a piece with a innovative desing and represents spanish floklore. Spectacular figure of a flamenco dancer in full swing with the skirt rolled up, ready to stamp. She is a dancer of resin with an original black flamenco dress with white dots and frills from knee and these frills make a nice train. Accessories are red and combine with flower hair, earrings and shoes. Flamenca hair is tied up with a "caracolillo" (ringlet) very typical of gypsy women. This gypsy is pure handmade spanish figurine, it is made by artisans and they use Modernist Trencadís Mosaic technique of Gaudí. It is a piece with a innovative desing inspired by Modernist Trencadís Mosaic technique of Gaudí. Hand painted with more of ten colors. Measurements: 20cm
