

Don Quixote Mosaic Figurine. 16cm

9.92 €
10.64 USD

Don Quixote of La Mancha figurine for decoration. This is an innovative piece of design, inspired on the so-called **Trencadis** modernist mosaic technique, created by the Catalan architect Antonio Gaudí.

Don Quixote of La Mancha, world heritage character, gave birth to one of the most translated books in History. Don Quixote started to live his adventures around the world in 1605. 2016 is the 400th anniversary of Miguel de Cervantes death.

Measures: 16cm
