

○ Elephant with the trunk going up. Barcino. 9cm

9.01 €
9.71 USD

Elephants attract luck, long life, knowledge and help to move away envious persons. Elephants have to have the trunk up, to attract fortune and have to be inside the house. This precious elephant is a gift with an original and unique design made with the Gaudi technique. This technique is called trencadis and has been a creation of the Catalan architect Antonio Gaudi.

Measurements: 9cm
