

○ Frog Queen. Barcino. 7 cm

7.52 €

8.05 USD

A lot of ancient civilizations consider that the **frog** is a symbol of abundance, protection and health. We have this queen frog with the golden crown, which is a design innovative piece and inspired by the modernist mosaic technique "**Trencadis**" invented by the Catalan architect Antonio Gaudi. The frog has more than 10 colors and is hand painted.

Measurements: 7cm.
