

🟡 Frog Queen Magnet. Barcino. 6cm

**3.72 €**  
**4.02 USD**

Many ancient civilizations considered the frog as a symbol of abundance, protection and health. We have this queen frog with its golden crown. It is a piece of innovative design and inspired by the technique of the modernist mosaic "Trencadis" invented by the Catalan architect Antonio Gaudí. The frog carries more than 10 colors and is painted by hand.  
Measures: 6 cm
