

○ Acuatic Frog Mosaic Barcino. 10cm

12.73 €
13.73 USD

Throughout history, **frogs** have been a symbol of wealth and economic prosperity.

The frog posture is with the rear legs like jumping, like getting moving.

The frog is made of resin using the **Trencadis Gaudí** technique, composed of small handpainted pieces in up to 10 colors.

Dimensions: 10cm.
