

○ Salamander Multicolored Mosaic . 24cm

17.40 €

18.75 USD

Since ancient Crete, **salamanders** were used as protection against the dangers of fire. It is said they bring good luck to the house.

Barcino has designed a collection of colorful salamanders based on the trencadis technique inspired by the famous **Gaudi**. It is a piece of design and it can be a very original gift.

Dimensions: 24cm
