

○ **Batló House. Ceramics Figurine. 12cm**

9.70 €

10.42 USD

Beautiful reproduction of Batlló House in ceramics. It's a very nice figure to offers, if you like Gaudi's architecture and his work.

Batló House is most emblematic work of the great architect Antoni Gaudí. It was built between 1904 and 1906 in the heart of Barcelona.

Gaudi provides Batllo House with an original, fantastic and creative facade.

Batló House is an essential componenet of modernist architecture of Barcelona. At present, the spectacular facade is an icon of Barcelona.

Measurements: 12cm X 5cm.
