The bullfighting poster is the way to promote the bullfights or corridas.

On Thursday, August 28.. in 1947, in the Linares bullfighting square, the poster heralds three magnificent bullfighters: Manuel Rodríguez "Manolete", Luis Miguel Dominguín and Gitanillo de Triana.

This day will be fateful to Manolete, killed by a bull named Islero and originally from Miura.

Manolete was an extraordinary bullfighter and "estoqueador" but too slow this day.

An injury on the right thigh will cause a bleeding. And he will die on August 29.

The customized posters cannot be paid cash on delivery.

Measurements: 97cm X 53cm.

The handling and shipping can cause small rips in the edge of the posters. As they don't affect the picture, they can't be considered as a flaw or imperfection. No exchange nor return can be admitted for that reason.
