Shots 6 units pack.

These little shot glasses are decorated with polka dots, flamenco dancers and the typic Spanish bull.

If you are brave, buy our shot glasses!

After a good meal, have some digestives! Put your favorite drink and get ready to have an amazing time with your friends.

A chupito or shot is an alcoholics drinks and non alcoholics drinks mix and we drink this mix in little glasses and in one gulp.

For some people it is a great way to begin a "caliente" night and for other people a prefect from to spend the night with friends.
