Oscar Herrero continues to examine the elements that make up the structure of the soleá, like the falseta (variation, or melodic phrase interspersed between successions of chords), remate (the emphatic final part of a movement), llamada (call, or signal) and final (end).

Blueprints of 'standard' falsetas are explained in detail, including introductions, harmonic sequences and set positions. To finish things off, he performs two soleares: 'Sendero' and 'Atril flamenco'. The guitar playing on both these pieces has been used as the base for the exercises and explanations throughout the two videos, La soleá I and La soleá II.

It includes a booklet in standard notation and guitar tab in A4 format, 44 pages.

Length: 65 minutes.

The DVD is full compatible with all countries (PAL and NTSC).

Four languages included Spanish, English, French and Japanese.

Video PAL system for European countries.

Video NTSC system for American and Asian countries
