

○ Jóvenes Maestros del Arte Flamenco. Vol. 1. DVD

28.26 €
30.42 USD

This DVD contains four tracks with dance by María del Mar Moreno, and it has been thought up to learn and practice the art of flamenco, which is why it includes themes with dancing and the same themes without dancing. It includes the soleá, alegrías, seguiriyas and bulerías masterfully performed by the Jerez bailaora, María del Mar Moreno. She is accompanied by the singing of Luis Moneo and, on guitar, Antonio Jero and Santiago Moreno. The percussion and hand clapping are by Rubichi and Quina.

This DVD is compatible with PAL and NTSC systems. It is internationally compatible.
