An authentic gypsy feast recorded live in Utrera.

Almost two hours with performances from thirty gypsies from Utrera of every age group, in bulería and tango styles. Men, women, children, grandfathers and grandmothers who are descendants of "El Pinini" and "La Serneta". The meters that the artists mark will stay in the body of anyone who listens to them. It includes two improvised pieces that were not part of the official recording session. Singing and dancing: Gypsies from Utrera. Guitar: Paco Fernández, Antonio Moya and "Pitín de Utrera".

The DVD is valid and compatible for all countries (NTSC and PAL). Guaranteed.
