6. La Campana de la ermita - Serrana
7. Introducción y Guajira
8. Obertura y Danza - Alegrías y danza
9. De la Unión a Buenos Aires Taranta y Tango

Rafael Andújar in concert has a profound and brilliant sound with a great technique. His interpretation is very rich with a lot of falsetto, with a great and intense technique. His recital is a mixture of emotions, picking, arpeggio and strum guitar.
