

● Bulerias training method by Paul Martinez

25.00 €
26.97 USD

Buleria training method. Didactic book to learn the characteristics of this "palo" flamenco. The times, the rhythms and the "rasgueados", but also some examples of "falsetas" and some typical ends of the flamenco guitar masters are some significant chapters of this book. Includes a cd with "falsetas" by the author, a buleria accompaniment and the rhythm at some different speeds as a flamenco metronome to practice each exercise of the book.
